

# 2<sup>ND</sup> ANNUAL SAFETY SUMMIT

## MAY 17<sup>TH</sup>, 10 AM - 3 PM

### Zeroing in on Safety

Waste and recycling collection is the 5<sup>th</sup> most dangerous profession in the U.S. In the first 3 months of 2018, there have been **38 waste-related fatalities** - we can all agree that is 38 too many.

Join the SWANA Land of Lincoln Chapter to hear from safety experts about the efforts underway to address and reduce the risks in our industry.

**Topics:** Safety planning and procedures, compliance, instilling a safety culture, mitigating and managing the impact of incidents, responding to lessons learned

**Confirmed / Invited speakers:** OSHA professionals, Caterpillar Safety Services, City of Chicago, safety managers for national hauling companies, independent haulers, risk management professionals

**Be a Summit sponsor!** All sponsorships include one (1) paid attendee and will have the sponsor's logo and contact information included in Summit materials. Exhibiting Sponsors also receive a tabletop exhibit space and opportunity to provide a brief 3-5 minute promotion during the Summit.
